

## **Prescription Take Back in Richland County brings in 693 pounds of unwanted medication**

A Prescription Take Back in Richland County collected hundreds of pounds of unwanted medications.

Law enforcement agencies in seven counties participated in the take back event.

Ashland County authorities collected the most unwanted medications with 218 pounds. Marion County took back 131 pounds, Richland County collected 122 pounds, Seneca County took in 103 pounds, Knox County 74 pounds, Wyandot County 26 pounds and Morrow County 19 pounds.

The DEA has already picked up the hundreds of pounds of medication from Richland County to properly dispose of the pills.
