Six people were arrested after the Ashland Division of Police and the Ashland County Sheriff's Office, assigned to the METRICH enforcement unit, searched a house in the 500 block of West Main Street on Monday morning.

Suspected methamphetamine, suspected heroin, drug paraphernalia, drug abuse instruments and evidence related to drug trafficking was collected by police, according to a news release from Lt. Garry Alting.

Earlier in the morning, on an unrelated call for service, police were contacted by someone who they say was found to be in possession of suspected methamphetamine. Follow-up in the case led detectives to a residence on West Main Street.

The case is being forwarded to Ashland County Prosecutor's Office for review regarding additional charges.
