

## Drug Task Force Searches Findlay Residence, Arrests Woman

The Findlay Police Department says a woman was arrested when a drug task force executed a search warrant at a Findlay residence.

The Hancock County METRICH Drug Task Force, along with the Findlay Police Department, carried out the search warrant at 530 Eben Avenue.

The task force says the search warrant was the culmination of a month-long investigation into the residence, and methamphetamine, prescription pills, marijuana, drug paraphernalia, cash and items indicative of drug trafficking.

As a result of the search, police say Natalie R. Golich, 38, was arrested and booked at the Hancock County Justice Center on charges of aggravated trafficking in drugs, a second-degree felony.

Additional charges are pending the conclusion of the investigation, according to police.
